

# Here's what's new with ALEX.

**New to ALEX?** ALEX is an interactive online experience designed to help you make confident choices about your benefits decisions. Just answer a few questions and ALEX will help you understand your best-fit benefits options.

**Talked with ALEX before?** This year, your ALEX journey is better than ever, with new features that guide you and your family towards your best-fit benefits.

## CHECK OUT WHAT'S NEW:

- **Choose the benefits experience that works for you!** Get personalized benefits advice at your own pace with a guided conversation through Benefits Counselor *or* an audio-free, text-based experience through ALEX Go
- **ALEX Medicare:** A new personalized, interactive experience that makes it easy to navigate the Medicare maze with unbiased, comprehensive Medicare education
- **Family Plan Comparison:** Compare your plans with a family member's plans to figure out which option gives you the best coverage
- **HSA Forecasting:** Understand what you need to contribute to your HSA for the year, in addition to an FSA and LFSA tax savings calculator
- **Voluntary Benefits:** Review unbiased overviews of voluntary benefits like hospital indemnity or critical illness and accident coverage
