## No-cost essential health benefit

2022 Health Care Reform Drug List

Under the Affordable Care Act, also known as health care reform, you can get some drugs at no member cost share. But you must have a prescription. Then they are covered 100 percent by your plan. The list below shows some items that are available. The list even includes some medicine you can get over-the-counter.

Some drugs not listed are eligible for zero dollar copay only with a medical exception.
