

Improved Benefits to Help Manage School and Child Care This Fall

On-Demand Webinar

Back to school is always difficult, but COVID-19 takes it to a new level this year. Help your family prepare by learning about new ways your *Bright Horizons Enhanced Family Supports*™ benefits can connect you with affordable, high-quality school support and child care options that will be critical this fall.

Join this event for a first look at these programs, including:

- Expanded access to virtual academic support and tutoring, for ages 3-18
- A larger selection of primary child care options, with discounts
- New offerings for supporting at-home and small-group learning
- More rigorous steps for maintaining health and safety in centers and in your home

You will also get a preview of our redesigned online experience for browsing as well as selecting and using these services.
